STANDARD AGREEMENT TRAINING

By signing this document, you acknowledge and consent that when you access Department of Defense (DoD) information systems:

- You are accessing a U.S. Government (USG) information system (IS) (which includes any device attached to this information system) that is provided for U.S. Government-authorized use only.
- You consent to the following conditions:
 - The U.S. Government routinely intercepts and monitors communications on this information system for purposes including, but not limited to, penetration testing, communications security (COMSEC) monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counter-intelligence (CI) investigations.
 - At any time, the U.S. Government may inspect and seize data stored on this information system.
 - Communications using, or data stored on, this information system are not private, are subject to routine monitoring, interception, and search, and may be disclosed pursuant to Government authorized purpose.
